## Skills

---

### Design & UX

- User-centered design and usability testing
- Prototyping and wireframing
- Responsive design and mobile-first principles
- Grids, layout, typography and color theory
- Data-driven design and development
- Design coaching and feedback meetings
- Holding workshops and inspiration sessions

### Development

- HTML, CSS and JS (ES6, Node, React, jQuery)
- Cross-browser compatibility and testing
- WAI guidelines and accessibility testing
- Version control (GIT in particular)
- CSS Preprocessing (SCSS in particular)
- JS task runners (Gulp in particular)
- Agile methodology (SCRUM in particular)

## Other

---

### Languages

Swedish (Native), English (Fluent)

### Certifications

Programming in HTML5 with JavaScript and CSS3, Microsoft, License 70-480

### Positions of trust

A member of the board group for the course Frontend-utvecklare at Nackademin, Stockholm

### Interests

Cooking, listening to 90s Hiphop, watching bad shows on Netflix, socializing with friends and family. Sometimes I do acrobatics and in the winter I go snowboarding whenever there's a chance. Occasionally I go out for a jog or play squash and since we moved to Reimersholme I have become a bit of a sauna enthusiast.
